

Sustainability Victoria  
Detox your Home

Free Drop Off Service  
Disposal of Unwanted Household Chemicals

Next Local Event  
**Sunday 14<sup>th</sup> March 2021**

**Frankston Regional Recycling and Recovery Centre, Skye**

Toxic household chemicals, such as cleaning products, pool chemicals, pesticides and weed killer, can be safely disposed of for free at Sustainability Victoria's Detox Your Home events. Collected items are recovered for reuse or safely disposed of. 'Detox Your Home' events are now drive-through (no walk-ins) and contactless, supported by a COVIDSafe plan. This service is for household chemicals only.

- **We do not take paint, fluorescent lights, and batteries.**
- The maximum acceptable weight or size for any single container is 20 kilograms or 20 litres.
- Decanting is not permitted, so bring chemicals in disposable, clearly labelled containers.
- **If you do not know what's inside, label the item as 'unknown'.**

**You must Register to attend, follow the links at**  
**<https://www.sustainability.vic.gov.au>**

**Sun., 14 March 2021**  
**8:00 am – 3:00 pm AEDT**  
Frankston Regional Recycling and Recovery Centre  
20 Harold Road  
Skye, VIC 3977

**Or Call 1300 363 744**

**Boat Owners Please Note:** As part of your Berthing Agreement and Induction, all CHEMICALS must be stored and disposed of according to the product Safety Data Sheet (SDS) and in accordance with WPM Terms and Policy. No Chemicals are to be stored on site, no chemicals are to be disposed on site, please do not leave chemicals or containers in the hard stand or other restricted/ work areas. This service is offers an opportunity to dispose of these items.
